## SUBJECTS • SUJETS

### Abstracting and indexing

The value of Indexes-La valeur des indexes. Moore,G., Hachey,R. 60(1):3-5.

### Accident prevention

Development of the Safety Assessment of Function and the Environment for Rehabilitation (SAFER) tool. Oliver,R., Blathwayt,J., Brackley,C., Tamaki,T. 60(2):78-82.

### Activities of daily living

Activities of daily living, cognitive impairment and social function in community residents with Alzheimer disease. Carswell,A., Eastwood,R. 60(3):130-136.

### Activities of daily living evaluation

Parents' and therapists' ratings of self-care skills in children with spina bifida. Unruh,A., Fairchild,S., Versnel,J. 60(3):145-148.

### Aged

Development and reliability of an upper extremity function test for the elderly: The TEMPA. Desrosiers,J., Hébert,R., Dutil,E., Bravo,G. 60(1):9-16.

Development of the Safety Assessment of Function and the Environment for Rehabilitation (SAFER) tool. Oliver,R., Blathwayt,J., Brackley,C., Tamaki,T. 60(2):78-82.

### Alzheimer disease

Activities of daily living, cognitive impairment and social function in community residents with Alzheimer disease. Carswell,A., Eastwood,R. 60(3):130-136.

### Arm

Development and reliability of an upper extremity function test for the elderly: The TEMPA. Desrosiers,J., Hébert,R., Dutil,E., Bravo,G. 60(1):9-16.

### Arm splints

Effectiveness of a custom-made below elbow lateral counterforce splint in the treatment of lateral epicondylitis (tennis elbow). Clements,L., Chow,S. 60(3):137-144.

### Cerebrovascular disorders

Family adaptation to altered roles following a stroke. Jongbloed,L., Stanton,S., Fousek,B. 60(2):70-77.

Relationships among three clinical measures of muscle tone in shoulders and wrists of patients with post-stroke conditions. Worley,J.S. 60(5):253-261.

### Charting

Occupational therapists chart a course through the health record. Fearing,V. 60(5):232-240.

### Client-centred practice (occupational therapy)

Client-centred practice: The true impact. Sumsion,T. 60(1):6-8.

Occupational therapy guidelines for client-centred practice: Impact study findings. Blain,J., Townsend,E. 60(5):271-285.

Occupational therapy's social vision. Townsend,E. 60(4):174-184.

### Clinical reasoning

Occupational therapists chart a course through the health record. Fearing,V. 60(5):232-240.

### Cognitive impairment

Activities of daily living, cognitive impairment and social function in community residents with Alzheimer disease. Carswell,A., Eastwood,R. 60(3):130-136.

### Community assessment

Development of the Safety Assessment of Function and the Environment for Rehabilitation (SAFER) tool. Oliver,R., Blathwayt,J., Brackley,C., Tamaki,T. 60(2):78-82.

### Community occupational therapy

Health promotion, occupational therapy and multiculturism: Lessons from research. Dyck,I. 60(3):120-129.

ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX

### Community reintegration

Development of the Safety Assessment of Function and the Environment for Rehabilitation (SAFER) tool. Oliver,R., Blathwayt,J., Brackley,C., Tamaki,T. 60(2):78-82.

### Consumer involvment

Involving clients in programme evaluation and research: A new methodology for occupational therapy. Clarke,C., Scott,E., Krupa,T. 60(4):192-199.

### Cost and cost analysis

Surviving the management game: Workload measurement systems in a cost-conscious environment. Wright,M., Scott,E., Cockerill,R. 60(1):23-28

### Critical social science

Occupational therapy's social vision. Townsend,E. 60(4):174-184.

### Cultural characteristics(anthropology)

Health promotion, occupational therapy and multiculturism: Lessons from research. Dyck,I. 60(3):120-129.

### Decentralization

Clinical programme management: A model of promise? Baptiste,S. 60(4):200-205.

### Déficiences et incapacités

La subluxation de l'épaule de la personne hémiplegique: Une recension des écrits sur les déficiences et les incapacités associées. Durand,M., Dutil,E. 60(5):241-252.

### Delivery of health care

Support workers or replacement workers in rehabilitation? Brockett,M. 60(2):57-60.

Response to the report on the study of the role and use of support personnel in the rehabilitation disciplines. Strickland,A. 60(5):228-231.

### Disabilities and impairments

La subluxation de l'épaule de la personne hémiplegique: Une recension des écrits sur les déficiences et les incapacités associées. Durand,M., Dutil,E. 60(5):241-252.

### Éducation du patient

L'apprentissage expérientiel: Un modèle éducatif à intégrer au processus ergothérapique. Tremblay,M., Chevrier,J. 60(5):262-270.

### Elbow

Respiratory and head position influences on late stretch reflexes. Clements,L., MacKay,W.A. 60(2):61-69.

### Ethics

Ethics and occupational therapy practice. Corbett,K. 60(3):115-119.

### Evaluation study

Effectiveness of a custom-made below elbow lateral counterforce splint in the treatment of lateral epicondylitis (tennis elbow). Clements,L., Chow,S. 60(3):137-144.

Occupational therapy guidelines for client-centred practice: Impact study findings. Blain,J., Townsend,E. 60(5):271-285.

### Health promotion

Health promotion, occupational therapy and multiculturism: Lessons from research. Dyck,I. 60(3):120-129.

### Hemiplegia

La subluxation de l'épaule de la personne hémiplegique: Une recension des écrits sur les déficiences et les incapacités associées. Durand,M., Dutil,E. 60(5):241-252.

### Hémiplégie

La subluxation de l'épaule de la personne hémiplegique: Une recension des écrits sur les déficiences et les incapacités associées. Durand,M., Dutil,E. 60(5):241-252.

### Information services

The value of Indexes-La valeur des indexes. Moore,G., Hachey,R. 60(1):3-5.

### Interpersonal relationships

The helping relationship: The application of Carkhuff's model. Lloyd, C., Maas,F. 60(2):83-89.

### Inter-rater agreement

Parents' and therapists' ratings of self-care skills in children with spina bifida. Unruh,A., Fairchild,S., Versnel,J. 60(3):145-148.

### Intervention process, occupational therapy

L'apprentissage expérientiel: Un modèle éducatif à intégrer au processus ergothérapique. Tremblay,M., Chevrier,J. 60(5):262-270.

Client-centred practice: The true impact. Sumsion,T. 60(1):6-8.

ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX • INDEX ANNUEL • ANNUAL INDEX

### Klein-Bell scale

Parents' and therapists' ratings of self-care skills in children with spina bifida. Unruh,A., Fairchild,S., Versnel,J. 60(3):145-148.

### Mental health

Involving clients in programme evaluation and research: A new methodology for occupational therapy. Clarke,C., Scott,E., Krupa,T. 60(4):192-199.

### Modèles, éducationnels

L'apprentissage expérientiel: Un modèle éducatif à intégrer au processus ergothérapique. Tremblay,M., Chevrier,J. 60(5):262-270.

### Models, educational

L'apprentissage expérientiel: Un modèle éducatif à intégrer au processus ergothérapique. Tremblay,M., Chevrier,J. 60(5):262-270.

### Models, occupational therapy

Occupational therapy guidelines for client-centred practice: Impact study findings. Blain,J., Townsend,E. 60(5):271-285.

### Muscle hypertonia

Relationships among three clinical measures of muscle tone in shoulders and wrists of post-stroke patients. Worley,J.S. 60(5):253-261.

### Muscle spasticity

Relationships among three clinical measures of muscle tone in shoulders and wrists of post-stroke patients. Worley,J.S. 60(5):253-261.

### Occupational therapy

Ethics and occupational therapy practice. Corbett,K. 60(3):115-119.

### Occupational therapy department, hospital services

Managing diverse occupational therapy resources in a creative corporate model. Baptiste,S. 60(4):206-213.

### Occupational therapy managers

A survey of workload measurement systems: The occupational therapy manager's perspective. Scott,E., Cockerill,R., Wright,M., O'Brien Pallas,L. 60(1):17-22.

### Occupational therapy in psychiatry

Involving clients in programme evaluation and research: A new methodology for occupational therapy. Clarke,C., Scott,E., Krupa,T. 60(4):192-199.

### Occupational therapy philosophy and practice

Occupational therapy's social vision. Townsend,E. 60(4):174-184.

### Occupational therapy services

Clinical programme management: A model of promise? Baptiste,S. 60(4):200-205.

Surviving the management game: Workload measurement systems in a cost-conscious environment. Wright,M., Scott,E., Cockerill,R. 60(1):23-28.

### Organization and administration

A survey of workload measurement systems: The occupational therapy manager's perspective. Scott,E., Cockerill,R., Wright,M., O'Brien Pallas,L. 60(1):17-22.

Clinical programme management: A model of promise? Baptiste,S. 60(4):200-205.

Managing diverse occupational therapy resources in a creative corporate model. Baptiste,S. 60(4):206-213.

Occupational therapists chart a course through the health record. Fearing,V. 60(5):232-240.

### Parents of children with special needs

Parents' and therapists' ratings of self-care skills in children with spina bifida. Unruh,A., Fairchild,S., Versnel,J. 60(3):145-148.

### Patient education

L'apprentissage expérientiel: Un modèle éducatif à intégrer au processus ergothérapique. Tremblay,M., Chevrier,J. 60(5):262-270.

### Personnel management

Managing diverse occupational therapy resources in a creative corporate model. Baptiste,S. 60(4):206-213.

### Positioning, head

Respiratory and head position influences on late stretch reflexes. Clements,L., MacKay,W.A. 60(2):61-69.

### Presidential address

Vista '93: Beyond the horizon. Mirkopoulos,C. 60(4):169-173.

### Processus d'intervention, ergothérapie

L'apprentissage expérientiel: Un modèle éducatif à intégrer au processus ergothérapique. Tremblay,M., Chevrier,J. 60(5):262-270.

### Professional issues

Vista '93: Beyond the horizon. Mirkopoulos,C. 60(4):169-173.

### Professional-patient relations

The helping relationship: The application of Carkhuff's model. Lloyd, C., Maas,F. 60(2):83-89.

### Professional practice

Client-centred practice: The true impact. Sumsion,T. 60(1):6-8.

Ethics and occupational therapy practice. Corbett,K. 60(3):115-119.

Occupational therapy guidelines for client-centred practice: Impact study findings. Blain,J., Townsend,E. 60(5):271-285.

### Programme evaluation

Involving clients in programme evaluation and research: A new methodology for occupational therapy. Clarke,C., Scott,E., Krupa,T. 60(4):192-199.

### Programme planning

Clinical programme management: A model of promise? Baptiste,S. 60(4):200-205.

### Records

Occupational therapists chart a course through the health record. Fearing,V. 60(5):232-240.

### Reflex primitive, ATNR

Respiratory and head position influences on late stretch reflexes. Clements,L., MacKay,W.A. 60(2):61-69.

### Reflex, stretch

Respiratory and head position influences on late stretch reflexes. Clements,L., MacKay,W.A. 60(2):61-69.

### Rehabilitation support personnel

Support workers or replacement workers in rehabilitation? Brockett,M. 60(2):57-60.

Response to the report on the study of the role and use of support personnel in the rehabilitation disciplines. Strickland,A. 60(5):228-231.

### Rehabilitation, vocational

Adaptive computer education: More than "high tech". Lysaght,R., Lloyd,M. 60(2):90-97.

### Reliability tests

Development and reliability of an upper extremity function test for the elderly: The TEMPA. Desrosiers,J., Hébert,R., Dutil,E., Bravo,G. 60(1):9-16.

### Research, qualitative method

Health promotion, occupational therapy and multiculturism: Lessons from research. Dyck,I. 60(3):120-129.

Family adaptation to altered roles following a stroke. Jongbloed,L., Stanton,S., Fousek,B. 60(2):70-77.

### Roles

Family adaptation to altered roles following a stroke. Jongbloed,L., Stanton,S., Fousek,B. 60(2):70-77.

### Role delineation

Client-centred practice: The true impact. Sumsion,T. 60(1):6-8.

Response to the report on the study of the role and use of support personnel in the rehabilitation disciplines. Strickland,A. 60(5):228-231.

Support workers or replacement workers in rehabilitation? Brockett,M. 60(2):57-60.

### Role expectation

Teacher's perceptions of the role and effectiveness of occupational therapists in schools. Fairbairn,M., Davidson,I. 60(4):185-191.

### School based occupational therapy

Teacher's perceptions of the role and effectiveness of occupational therapists in schools. Fairbairn,M., Davidson,I. 60(4):185-191.

### Shoulder subluxation

La subluxation de l'épaule de la personne hémiplegique: Une recension des écrits sur les déficiences et les incapacités associées. Durand,M., Dutil,E. 60(5):241-252.

### Social environment

Family adaptation to altered roles following a stroke. Jongbloed,L., Stanton,S., Fousek,B. 60(2):70-77.

### Social justice

Occupational therapy's social vision. Townsend,E. 60(4):174-184.

### Subluxation gléno-huméral

La subluxation de l'épaule de la personne hémiplegique: Une recension des écrits sur les déficiences et les incapacités associées. Durand,M., Dutil,E. 60(5):241-252.

### Technology

Adaptive computer education: More than "high tech". Lysaght,R., Lloyd,M. 60(2):90-97.

### Tennis elbow

Effectiveness of a custom-made below elbow lateral counterforce splint in the treatment of lateral epicondylitis (tennis elbow). Clements,L., Chow,S. 60(3):137-144.

### Tests by title

Development and reliability of an upper extremity function test for the elderly: The TEMPA. Desrosiers,J., Hébert,R., Dutil,E., Bravo,G. 60(1):9-16.

### Therapeutic use of self

The helping relationship: The application of Carkhuff's model. Lloyd, C., Maas,F. 60(2):83-89.

### Vocational guidance

Adaptive computer education: More than "high tech". Lysaght,R., Lloyd,M. 60(2):90-97.

### Women

Health promotion, occupational therapy and multiculturism: Lessons from research. Dyck,I. 60(3):120-129.

### Workload measurement system

A survey of workload measurement systems: The occupational therapy manager's perspective. Scott,E., Cockerill,R., Wright,M., O'Brien Pallas,L. 60(1):17-22.

Surviving the management game: Workload measurement systems in a cost-conscious environment. Wright,M., Scott,E., Cockerill,R. 60(1):23-28.

## DEPARTMENTS • DIVERS

### Book Reviews • Revues des livres

A color atlas of low back pain. K.Mills, G.Page, R.Siwek. 60(3):150.

Assistive technology for persons with disabilities. The role of occupational therapy. W.Mann, J.Lane. 60(5):286.

Canadian occupational performance measure manual. M.Law, S.Baptiste, A.Carswell-Opzoomer, M.A.McColl, H.Polatajko, N.Pollock. 60(1):35.

Challenging cancer: From chaos to control. N.Kfir, M.Slevin. 60(3):152.

Clinical musculoskeletal anatomy. N.Pratt. 60(2):99.

Cognitive rehabilitation: Group games and activities. L.Toglia, K.Golisz. 60(2):98.

Cognitive rehabilitation of memory: A practical guide. M.Harrell, F.Parenté, E.Bellingrath, K.Lisicia (Eds). 60(5):289.

Community occupational therapy with mentally handicapped adults. D.Isaac. 60(1):33.

Computers for children with an interlectual disability: A parents' guide. T.Fay, G.Llewellyn. 60(2):98.

Computer seminar series-Teaching manual: A simple approach to teaching computers in occupational therapy. K.Llanos. 60(5):286.

Developing cross-cultural competence: A guide for working with young children and their families. E.Lynch, M.Hanson. 60(5):287.

Directory of barrier free building products. J.Lyttle (Ed). 60(4):214.

Early occupational therapy intervention: Neonate to three years. C.Semmler, J. Hunter. 60(2):100.

Equipment for disabled people: Furniture; Equipment for disabled people: Personal care. G.Cochrane(Ed). 60(4):215.

Essentials of anatomy and physiology. V.Scanlon, T.Sanders. 60(2):100.

Group protocols: A psychosocial compendium. D.Gibson (Ed). 60(3):152.

Expériences en ergothérapie. M.Izard, M.Moulin, R.Nespoulous. 60(4):216.

Homecoming for babies after the neonatal intensive care nursery: A guide for professionals in supporting families and their infants early development. M.Hanson, K.Vandenberg. 60(4):215.

Integrative group therapy: The structured five-stage approach. M.Ross. 60(5):290.

Joint structure and function: A comprehensive analysis. C.Norkin, P.Levangie. 60(5):287.

Learning disabilities: A review of available treatments. W.Feldman. 60(2):101.

Making accomodation: Methods for community housing of vulnerable persons in Ontario. M.Seymour. 60(5):288.

Multidisciplinary perspectives in vocational assessment of impaired workers. S.Scheer (Ed). 60(1):35.

Occupational therapy approaches to traumatic brain injury. J.Johnson, L.Krefting. 60(3):152.

Occupational therapy: Overcoming human performance deficits. C.Christiansen, C.Baum. 60(3):149.

Pain in children and adolescents. P.McGrath, A.Unruh. 60(3):149.

Positionaing in a wheelchair: A guide for professional caregivers of the disabled adult. J.Mayall, G.Desharnais. 60(3):150.

Rehabilitation technology. G.Hedman (Ed). 60(1):34.

Rehabilitation with brain injury survivors: An empowerment approach. C. O'Hara, M.Harrell. 60(4):214.

Research for the health professional: A practical guide. D.Bailey. 60(2):99.

Sexuality and the person with traumatic brain injury: A guide for families. E.Griffith, S.Lemberg. 60(5):289.
